

Quartet Aluminum Heavy Duty Display Easel, 66" Max. Height, Supports 45 Lbs., Black

Show off two displays at once with this heavy duty display easel for indoor or outdoor use.

56EX

Product Description

Set up your display to attract the right kind of attention with this heavy duty display easel. Two signs or one very large display are held in place with sign holders, plus a display top clamp and bottom support ledge are built-in for additional securing options. The aluminum construction stands up to frequent indoor and outdoor use.

Features

- Display easel is height adjustable. Easily set it to stand from 38" – 66" tall, great for trade shows.
- Holds up to 45 lbs. in display weight to support heavier signage materials
- Two sets of sign holders allow you to display two signs at once, one on top of the other. Can also support a single very large display using just the bottom set of sign holders.
- Integrated flipchart pad holder makes this easel useful for in-office meetings and presentations
- Easel is designed for indoor or outdoor use. Integrated spikes hold the display easel in place in grass or dirt.
- Black aluminum construction of this display easel is very durable, and the tripod design is well-known for its stability. Indexing on the front two legs ensures perfect leveling on virtually any surface.
