SEAL Print Shield Standard UV Gloss, 51" x 400', 3 mil

62208

Product Description

SEAL Print Shield Standard UV sets the standard for pressure sensitive laminates. This 3 mil, premium-grade vinyl with an advanced water-based acrylic adhesive technology delivers reduced silvering and extended outdoor durability. SEAL Print Shield Standard UV offers affordable protection against harmful UV rays, dirt and abrasion - extending the life of your universal indoor applications for up to five years and outdoor applications for up to three† years. This product is available in a gloss, luster and matte finish.
