

CC2700 Electric CoilBind finisher

7301090

Product Description

Binding doesn't get any simpler! The dual roller system gets Colour Coil spines through punched sheets with reliable ease, and three adjustable spine - size setting ensure instant accuracy. A built in spine former shapes paper stacks for easy binding. This model includes an easy to use crimper hand tool, which cuts and crimps the spine.

Features

- Exclusive ColorCoil™ Spine Former:Ensures quick and easy feeding of the coil element by forming the paper to match the curve of the coil
- Electric rollers: For quick and easy coil insertion, adjusts to three different positions for various size binding elements
- Hand crimping pliers / convenient storage pocket: For cutting and crimping the ends of the coil bound document
- Binds sheets up to A4
