

TL2900

7301200

Product Description

Wire binding is faster and easier with this electric finisher. A dual load-and-crimp station eliminates the extra step of moving documents for loading. Just hang the spine, load the paper and close with the touch of a button.

Retail Packaging Information

Depth	25"
Width	23"
Height	20"
Gross weight	66.00lbs
UPC#	033816045460
Unit quantity	1
