

TL2900 Electric WireBind finisher

7301220

Product Description

Binding doesn't get any simpler! Wire binding is faster and easier with this electric finisher. A dual load-and-crimp station eliminates the extra step of moving documents for loading. Just hang the spine, load the paper and close the wire with the touch of a button.

Features

- Four LED's:Guide the user throughout the binding process
- Spine size closure settings for faster operation
- Automated wire closing for faster binding
- Adjustable knob for fine tuning spine closure
- Wire holder for easy loading of spines
- Angled surface for easy loading and paper alignment
