

GBC MP2500IX Modular Punch

7704370

Product Description

Binding doesn't get any simpler! This heavy duty punch can handle up to 16,000 sheets an hour and is quiet enough to use in office environments. LEDs make production easier by displaying power on, die set errors, and full clipping tray. A range of interchangeable die sets are available to handle all your presentation spine styles.

Features

- Up to 11 die sets available to accommodate different punch patterns.
- Die sets can be changed in just seconds without tools or levers, automatically securing into position
- Three LED’s indicate Power ON, correct die set placement, and a chip tray full warning
- Large front chip tray provides easy access for emptying paper chips
- Dual Punching Controls: Hands-free foot pedal or palm switch allow you choose your preferred punching method
- Heavy duty punch - Suitable for the office environment due to its quiet operation. Punches up to 16,000 sheets per hour.
- Open ended punch throat for punching odd sized sheets
- Automatic reverse to prevent paper jams
- Productivity: Punches up to 29 sheets at a time or up to 16,000 sheets per hour (depending on punch pattern used)
- Sheet Size: 10cm - 30cm (A4) for all patterns; open-ended design accepts longer sheet sizes in two punching passes.
