

Magnapunch Pro with Foot Pedal or Trigger Switch

The powerful GBC® Magnapunch™ Pro boasts best-in-class features like unmatched speed and durability to make punching faster and easier than ever.

7705643

Product Description

With unmatched speed and durability, the GBC® Magnapunch™ Pro Interchangeable Die Punch is best-in-class among high volume desktop punches. This workhorse features flywheel technology, a half-second punch cycle and an oversized crank shaft, making it a perfect fit for your office or print shop.

Features

- Sleek, metal cover offers a clear view of the die set ruler and pin location decal for easy alignment
- Sturdy edge guide features an adjustable sliding knob/screw system to accurately adjust paper size
- Large chip tray collects paper chips from up to 40,000 sheets so you can empty the tray less often
- Half-second punch cycle with flywheel technology allows you to complete more jobs in less time
- Punches up to 49 sheets at once and up to 49,000 sheets/hour depending on punch style
- 3-way switch (ON/OFF/ON) lets you control the punch with the trigger switch or hands-free foot pedal
- Features a locking die set system with integrated safety switch, 13 die sets (including a wire calendar die) and compatibility with Magnapunch 2.0 dies
- Easy-access punch pins can be quickly adjusted to punch different paper sizes
- Punches sheets up to 14" for most die patterns--open throat accommodates larger sizes in two-step process
- Includes a 3 year warranty. 18 1/2" x 10 1/2" x 19 1/2" in size.
