GBC Color Coil Binding Spines, 8 mm, Black, 100 Pack
9665010

## Product Description

Give your ideas the competitive edge. Grab your audience's attention and make a great impression with a professionally bound document. Our spines keep materials protected and organized. And, they communicate your ideas with a personality that's all its own. You only have a few seconds to make a great first impression, so dress your ideas for success. Whether you're looking for a contemporary feel or something more conservative, we have you covered!

## Features

- Strong coil-bound spines provide a permanent binding solution when presentation and quality are primary concerns
- Excellent for use in busy corporate offices, universities, engineers, architectural or construction firms
- High quality coils are flexible and stylish, giving your projects a professional image. Sturdy 8 mm coils have a 45 sheet capacity and 12 " length.
- Coil bindings lie flat for easy reading, with 360 degree rotation capability for added convenience. Spines are designed with a $4: 1$ pitch, which equates to 4 loops per inch.
- These professional looking coil bindings provide a permanent solution, securely holding pages together. They cannot be unbound for editing or rearranging.
- Convenient coils are designed for use with all ColorCoil Machines (sold separately)
- A pack of 100 black coils ensures long-term productivity for all of your binding projects
