

Derwent Academy Twin-Tip Markers, Brush/Fine Tip, 8 Pack

These water-based, twin-tip markers feature brush and fine tip ends to create both bold strokes and detailed lines in your drawings and illustrations.

98206

Product Description

With two different tip types on each marker, this 8 pack of Derwent Academy Twin-Tip Markers lets you effortlessly create both bold strokes and fine lines in your drawings and illustrations.

Features

- High-quality twin-tip markers are the perfect choice for aspiring artists and hobbyists. Twin-tip design provides both a brush and fine tip option for each marker.
- Brush tip end creates both thick and thin lines with a brush-stroke effect, great for drawings and lettering. Fine tip end has a broad edge and fine point for maximum control over detailed drawings.
- Water-based markers are perfect for trying out new techniques like stippling, crosshatch, layering and blending
- For best results, apply light colours to paper first to prevent dark ink from transferring to the tips of other markers
- 8 pack features a wide range of colours suitable for all art projects. Colours include: Red, Orange, Yellow, Light Green, Blue, Purple, Black and Brown.
