DFEB5

### Product Description

A clear board gives you more space to brainstorm and explore new ideas. Keep your board looking fresh and streak-free with Quartet Max Clean Erasers.

### Features

- Say goodbye to streaks, stains and dust. Unlike traditional erasers, Premium Max Clean Eraser combines reticulated foam to scrub the board's surface with felt to capture dust.
- Simply glide this eraser over a dry-erase board with no vigorous scrubbing. The dual material of foam and felt smoothly picks up ink and dust.
- Store the eraser in the included magnetic caddy. Place it directly on a magnetic board surface for quick and easy access. Optimized for use on glass boards.
- This smooth, oval eraser features clean lines in a modern silver color. The unique shape also makes for a perfect fit on a board's accessory tray.
- Measuring 6" x 2 3/8" with rounded edges and ends, this eraser covers a large area and fits nicely in your hand for a comfortable grip.
