

Ibico 1214X Semi-Professional Print Calculator White/Blue

IB410031

Product Description

The compact Ibico 1214X Print Semi-Professional Calculator is flexible for use on your desktop with a mains adaptor or with batteries. It prints in black and red, has an angled 12-digit LCD display and prints at 2.4 lines per second. With a choice of time or date on the display plus print or non-print modes, it is one of the most versatile printer calculators available.

Features

- Angled 12-digit LCD display
- 2 colour printing (black/red)
- Printing speed: 2.4 lines per second
- Compact printer calculator
- Printing/non-printing mode
- Choice of clock or date on display
