

Wireless Presenter - Nano Receiver

Present like a pro.

K33373EU

Product Description

Present like a pro with the Wireless Presenter. Designed for professionals, this remote allows you to focus on making an effective presentation, harnessing a reliable wireless connection and natural controls. The intuitive four-button layout lets you easily navigate forward and back within your PowerPoint or Keynote slides, while the other two buttons let you hide your screen and play a slideshow*. The wireless nano receiver conveniently stores inside the battery compartment when not in use.
