

# UA0000E USB-A Ethernet Adapter — Black

Get Wired In

K33981WW

## Product Description

Many newer laptops do not come with an Ethernet port, leaving users only WiFi to get connected to the Internet. The UA0000E USB-A Ethernet Adapter provides a wired connectivity option with lightning fast transfer speeds where wireless access isn't available or if you have a broken internal network card. The USB-A Ethernet adapter simply plugs into an available port on your laptop or desktop computer and supports 10/100/1000 BASE-T performance. The adapter is compatible with systems running Windows 8.1/8/7/Vista/XP, as well as Mac OS X 10.6 and later.
