

VM1000 Mini DisplayPort to VGA Full HD Video Adapter

33987

Product Description

When you need to put what's on your laptop screen on a monitor or a projector, there's no easier way than with the VM1000 Video Adapter. It plugs into Mini DisplayPort commonly found on laptops and then runs to the VGA port on a monitor or projector. The adapter supports full HD resolution so you get a crystal clear picture and offers Plug & Play installation so you're up and running in no time.
