

PowerBolt™ 2.4 Car Charger with QuickCharge™ 2.0

38227

Product Description

When you need to charge your mobile device in a hurry, there's no better option than the PowerBolt 2.4 Car Charger with QuickCharge 2.0 technology from Qualcomm®. This charger can power up a battery on a QC 2.0 compatible smartphone or tablet as much as 75% faster than a conventional charger. It also features PowerWhiz Technology, which auto-detects your device to ensure it charges safely. A blue LED indicator lights up so you know your charger is ready for a device and the low-profile design is ideal for any car's interior.
