Product Description

For over 40 years, Kensington has been The Professionals' Choice for desktop productivity solutions. Through continual investment in advanced technology, Kensington has engineered the innovative SD5200T Thunderbolt 3 Docking Station for Windows and Mac. Whether you're a video editor, graphic designer, content creator, gamer or just want to simplify your 4K workspace the SD5200T Thunderbolt 3 Docking Station is a power user's solution for hyper-productivity. A single Thunderbolt 3 cable accomodates speeds up to 40Gbps while running two 4K monitors at 60fps and simultaneously providing up to 85W of power to your laptop.
