

**SmartFit® Sit/Stand Dual Monitor Workstation for up to 24" screens**

A Standing Desktop Experience with Two Screens

K52796WW

**Product Description**

As more health risks are revealed in relation to sitting too much during the workday, professionals are trusting the company with 20 years of ergonomic expertise and turning to the SmartFit® Sit/Stand Dual Monitor Workstation to improve their health and productivity. The workstation converts your traditional desk into a standing workspace with minimal changes to your current setup. A pneumatic lift and articulating arm help you quickly transition from sitting to standing, plus it swivels from side to side to help share the view of your monitor screens.

**Features**

- SmartFit® System allows you to measure, adjust and fit the workstation's articulating arm to your ideal comfort color setting
- Adjustable dual mounts allows you to slide the monitors left and right along both sides of the arm for a better fit
- Pneumatic lift lets you quickly and easily transition from sitting to standing
- Articulating arm has four pivot points so you can easily move the workstation up and down and side to side
- Height adjustable so you can set the monitors and the keyboard platform independently for the ideal viewing and typing settings
- Cable management channel routes accessory cords to keep workstation uncluttered
- Reinforced mounting clamp attaches quickly to the desktop
- Secondary platform provides a space-saving area for additional accessories
- Compatible with monitors up to 24" (Max weight of 22.5 lbs. for monitors and items on platforms)
