Anti-Fatigue Mat

K55401WW

Product Description

The Kensington Anti-Fatigue Mat combines superior gel comfort with professional durability to provide the perfect companion for standing workstations. Maximising the health benefits of standing while working, the Anti-Fatigue Mat is made of the highest quality materials and ergonomically engineered to reduce fatigue on legs, back and feet at the office, laboratory, workshop, kitchen or garage.

Features

- Ergonomically Engineered to stimulate blood circulation and reduce fatigue on legs, back and feet by providing better pressure distribution and significantly reducing contact stress.
- Patented rubberised-gel foam is 17mm thick and provides superior performance over thicker polyurethane foam
 competitors, offering unmatched tensile strength to resist tearing, an easy-to-clean waterproof and oil-resistant
 surface, enhanced shock absorption, and better durability for high traffic areas to ensure mat will not break down
 or compress over time.
- NFSI certified anti-slip surface reduces slipping concerns and ensures mat stays in place.
- ADA-compliant bevelled edge ensures mat will not roll up, is trip-resistant, and provides 18° angle for office chair to roll up on with ease.
- Non-toxic and flame resistant materials are vinyl and BPA-free, supporting stricter environmental standards than
 most polyurethane foam competitors, and meet Cal 117 fire safety standards
- · Ships flat to prevent unwanted creases and curled edges

Specifications

- Colour Black
- PDP Request Quote Yes
- Period of Warranty Limited 2-year warranty
- Product Type Foot Rest
