

SmartFit®Dual Monitor Arm Mount

Professional-level mount to increase productivity

60273

Product Description

With more than 20 years of expertise creating professional-level ergonomic solutions, Kensington has created the SmartFit Dual Monitor Arm Mount. It allows you to add a second display to your desktop, which studies have shown can have a significant impact on daily productivity. With two fully adjustable arms that hold up to 27" monitors, you can use our patented SmartFit system to find your optimal height setting to reduce neck, back and vision strain. The heavy-duty Mini-C clamp is simple to install while using less desk space for a clean look. Professional-level productivity for your desk.

Features

- SmartFit™ System allows you to find your personal comfort color within 4 height regions for optimal ergonomics
- Adjustable monitor arm provides vertical, horizontal and distance options to create the ideal viewing angle
- VESA-compatible monitor attachments, 75mm or 100mm
- Included Mini-C Clamp is made with durable steel and aluminum construction, takes less desk space to attach and is simple to install
- Cable management system reduces desktop clutter
- Compatible with displays up to 27"; maximum 25 lbs. per arm
- Portrait Mode supported for screens up to 24" or less
