Product Description

Kensington SmartFit® Monitor Arms work with any monitor to allow perfect positioning, for an employee-safe, comfortable and ergonomic workstation. Our exclusive colour-coded SmartFit™ system places the monitor in the ideal ergonomic height, reducing eye and neck strain so employees get more done, more comfortably. SmartFit Monitor Arms are lightweight, require little or no assembly, and can be set up by just one person. And the SmartFit™ colour bar re-adjusts in seconds, meaning that multiple users of the same workspace can adjust for their own perfect fit—without the help of the IT manager.
