

SmartFit® Extended Monitor Arm Mount

Raise Your Productivity to Professional Levels

K60904USA

Product Description

From the brand with more than 20 years of expertise creating professional-level ergonomic solutions, Kensington's SmartFit® Column Mount Monitor Arm allows you lift your screen off the desktop instead of using a stand. Our patented SmartFit® System lets you find your optimal height setting to reduce neck, back and vision strain, and the mount assembles in minutes, letting you quickly get back to what's important. The heavy-duty Mini-C clamp is simple to install while using less desk space for a clean look. The mount can be swiveled from side to side up to 45 degrees and accommodates up to a 27" monitor. Professional-Level productivity for your desk.

Features

- SmartFit® System allows you to find your personal comfort color within 4 height regions for optimal ergonomics
- Adjustable monitor arm provides vertical, horizontal and distance options to create the ideal viewing angle
