Product Description

From the brand that’s the choice of professionals, Kensington’s LM670 15.6” Laptop Tote offers an elegant carry experience that will appeal to business users looking for a sleeker design. It features a faux leather exterior and provides all the space needed to carry a laptop, tablet, smartphone and other personal items. The laptop device compartment is padded and an organizer section provides the perfect place to store business cards, pens and other office accessories like charging cables. A wheeled luggage pass-thru is ideal when traveling, letting you attach the tote to the extended handle of a roller bag so it won’t fall off while you’re in transit.
