

Lock Module for the SD7000 Surface Pro Docking Station

Secure your Surface Pro when docked

K62918M

Product Description

The ultimate locking solution for the ultimate docking solution, the Kensington Lock Module for the SD7000 Surface Pro Docking Station is a complete security system that secures the Surface Pro as well as the docking station. MicroSaver® 2.0 technology makes this solution small, yet extremely tough.

Features

- Locks Surface Pro to the SD7000 Surface Pro Docking Station, and locks the docking station to a desk, table, or any fixed structure
- One key unlocks the device and cable from the dock
- Patented Hidden Pin™ Technology supports anti-pick tubular lock
- Carbon steel cable resists cutting attempts
- Independently verified & tested for industry-leading standards in torque/pull, foreign implements, lock lifecycle, corrosion, key strength and other environmental conditions
- Register & Retrieve™ program allows you to order replacement keys
