

Kensington

Kensington® International Travel Adapter for Smartphones, Tablets, Laptops and other devices

Smaller Size, No Compromise

K64433L

Product Description

Kensington, The Professionals' ChoiceTM for device security for nearly 25 years, has produced the latest standard in device security – the MicroSaver 2.0 Keyed Ultra Laptop Lock. Engineered to be Kensington's smallest lock for laptops and other devices with no compromises, the MicroSaver 2.0 represents the next generation of laptop security with a cable that's 60% stronger than the standard model. The MicroSaver 2.0 was developed using strict specifications, patented technologies, and rigorous testing against tough environmental conditions, and can stand the test of time in a smaller, compact size.
