

SmartSockets® Table Top Surge Protector with USB

Premium Table Top Surge Protection

K64494NA

Product Description

Providing the trusted protection that has made Kensington The Professionals' Choice in electronic accessories for over 35 years, the SmartSockets® Table Top Surge Protector with USB offers premium surge protection against power spikes for all of your electronic devices. Ideal for conference tables and meeting rooms, the SmartSockets Table Top Surge Protector with USB offers 6 color-coded adapter-style outlets, 4 fast-charging USB ports, 1500 joules of surge dissipation, a 16-foot power cord, and a \$50,000 computer equipment warranty to cover connected devices.

Features

- Hextuple Safety Protection guards against voltage spikes, current surges, power surges, overheating, and short-circuits, while also providing the highest V0 rating available for fire resistant housing in consumer electronics
- 1500 Joules of Surge Dissipation safeguards computers and other electronic devices
- 6 Outlets with ample room to accommodate AC adapters in each
- 4 Fast-Charging USB Ports supply up to 2.4A per port (4.8A shared max across 4 ports)
- 16-Foot Power Cord allows SmartSockets to reach almost anywhere
- Color-Coded Rings with Matching Cord Labels provides easy cord management
- UL Certified to provide superior safety and reliability
- Right-Angle Plug easily fits into tight spaces
- Ground & Surge Protection Indicator provides visual assurance that your devices are protected
- \$50,000 Computer Equipment Warranty against damage from surges
- "Computer equipment," as used herein, means a device designed primarily for the processing or storage of digital data, such as computers, monitors, printers, disc drives, and telefax machines. By way of illustration and not by limitation, "computer equipment" does not include televisions (digital or analog), copiers, refrigerators, air conditioners or household appliances. KENSINGTON retains the sole discretion to decide whether a particular product is or is not "computer equipment" within the terms of this warranty.
