

MicroSaver® Retractable Keyed Laptop Lock

64538

Product Description

Trust the industry standard that has been locking devices for more than 20 years to protect your valuable laptop and the sensitive information that's on it. T-Bar™ Locking Technology and a retracting carbon steel cable attach to the industry-standard Kensington Security Slot, providing mobile theft protection that takes up less space in your travel bag.

Features

- Hidden Pin™ technology ensures tubular lock cannot be picked.
- T-Bar™ Locking Technology attaches to the Kensington Security Slot™ found on most laptops.
- Retracting steel cable is cut-resistant and takes up much less space in your travel bag.
- Compact design and cable management makes travel easy.
- Register & Retrieve™ program allows you to order replacement keys.
- Two keys supplied.
