Product Description

Turn the grommet hole found in many work surfaces and desks into a handy anchor point without damage or alterations. The Kensington Grommet Hole Cable Anchor installs quickly and easily with no tools. By supplying a convenient anchor point, it makes it easy for employees to secure laptops, desktop computers and peripherals.

Features

- Provides a secure anchor point through the grommet hole found in most work spaces and desks
- Maintains the cable routing function of the original grommet hole
- Convenient access makes it easier to secure laptops
- Installs in seconds without tools
- Innovative design will not damage work surfaces
- Attractive design complements modern office décor
- Tamper-resistant design
- Built-in Kensington Security Slot gives you yet another way of attaching Kensington cable locks to the anchor
- TAA Compliant
