

## ClickSafe® Keyed Laptop Lock - Twin

64638

### Product Description

Give your employees superior and effortless laptop and peripheral accessory security with the ClickSafe® Keyed Twin Laptop Lock. One-click, keyless engagement combines with premium materials and anti-theft technology to make protecting laptops and another device, like a monitor, external hard drive or docking station featuring a Kensington Security Slot, easier than ever.

### Features

- Give your employees superior and effortless laptop and peripheral accessory security with the ClickSafe® Keyed Twin Laptop Lock. One-click, keyless engagement combines with premium materials and anti-theft technology to make protecting laptops and another device, like a monitor, external hard drive or docking station featuring a Kensington Security Slot, easier than ever.
- Two lock heads allow you to secure a laptop and a peripheral accessory.
- Tamper-resistant, disk-style lock provides near-impenetrable theft protection.
- ClickSafe® Lock provides one-step security after Security Anchor has been installed into Kensington Security Slot™ found on most laptops, increasing employee compliance.
- Carbon steel cable is cut-resistant and anchors to desk, table or any fixed structure.
- Register & Retrieve™ program allows you to order replacement keys.
- One-handed engagement without need to use a key.
- Two keys supplied.
- Custom Keyed options available.
