

Kensington

ClickSafe Combination Laptop Lock - Master Coded

Security and simplicity in just one click

K64678WW

Product Description

The Kensington ClickSafe® Combination Laptop Lock is a stocked master access solution designed for effortless protection of computers and your business's most important data. Locks attach to hardware in a single step. Just one click and it's secure. There's no need for employees to insert a key or follow multiple steps. ClickSafe Combination Laptop Locks combine a cable made from superior materials to deliver the strongest security available in a cable lock.
For master access (MOQ 25), please use in conjunction with Combo genie 64683.
