ClickSafe® Portable Keyed Laptop Lock - Coiled

K64699US

Product Description

The ClickSafe® Portable Keyed Laptop Lock is designed for nearly effortless protection of computers and your most sensitive information. The ClickSafe Security Anchor installs quickly into the industry-standard Kensington Security Slot and provides high-level security that engages in one click without using the key. The self-coiling cable can stretch up to 6 feet, and shrinks down to only 3 inches for easy packing.

Features

- · Tamper-resistant, disk-style lock provides near-impenetrable theft protection
- ClickSafe® Lock provides one-step security after Security Anchor has been installed into Kensington Security Slot™ found on most laptops, increasing employee compliance
- Carbon steel cable is cut-resistant and anchors to desk, table or any fixed structure
- Register & Retrieve[™] program allows you to order replacement keys
- · One-handed engagement without need to use a key
- ClickSafe Security Anchor™ attaches to laptop via Kensington Security Slot found in 99% of computers
- On-line Register and Retrieve™ service allows you to request a free replacement key if it's lost
- · TAA Compliant
