# **ClickSafe® Portable Keyed Laptop Lock - Coiled**

## K64699US

#### **Product Description**

The ClickSafe® Portable Keyed Laptop Lock is designed for nearly effortless protection of computers and your most sensitive information. The ClickSafe Security Anchor installs quickly into the industry-standard Kensington Security Slot and provides high-level security that engages in one click without using the key. The self-coiling cable can stretch up to 6 feet, and shrinks down to only 3 inches for easy packing.
