

MicroSaver® Keyed Laptop Lock - Expansion Loop - Custom Master Access - Keyed Alike

We've gone to greater lengths for your security

8589667702L

Product Description

Keep your notebook and the sensitive information on it safe with the Kensington MicroSaver® Custom Keyed Expansion Loop-Shared. The 18" carbon-strengthened steel cable loop provides added reach to secure your notebook. For extra peace of mind, it also features the patented T-bar locking mechanism for the most secure connection.

Features

- Shared Access solution allows all user keys to open all locks so multiple users can work from shared notebook computers
- Tamper Evident™ technology alerts you that someone has tried to steal your device
- Designed to attached to existing cables, ideal for any workstation
- Patented T-Bar™ locking mechanism provides superior locking strength and theft protection
- Locks into the standard Kensington Security Slot found in 99% of notebooks, and many flat panel monitors, desktops, projectors, printers, docking stations, tablet PCs, and other devices
- On-line key registration makes ordering master keys or replacing lost keys secure and easy. Contact 855.692.0054 when you are adding to an existing system.
