SecureBack™ Enclosure for 9.7-inch iPad® models

K67772WW

Product Description

Add security and strength to your system while maintaining the sleek, lightweight profile of the iPad Air or iPad Air 2. Tablet systems are providing a host of opportunities for businesses like warehouses, retail stores, hotels, and other hospitality outlets. The tablet's versatility is perfect for taking inventory, queue busting, checking parts, working on the floor, or offering interactive customer engagement. This new enclosure is ideal in any environment because it elevates service and provides new opportunities for data access.
