Kensington

Countertop Tablet Stand for SecureBack — Black

K67833AM

Product Description

Restaurants, hotels, and other businesses are discovering that the iPad? makes a great Point of Sale tool. But unfortunately, they're also discovering that securing that expensive iPad from thieves can be a real security challenge. The smart solution is the Kensington Countertop Tablet Stand for SecureBackTM. It's the perfect way for businesses to secure an iPad without interfering with the user experience. The stand is sturdily constructed of solid metal and features a VESA mounting plate allows the SecureBack Enclosure (sold separately) to be mounted in landscape or portrait mode. It also pivots and swivels through a very wide range for easy user engagement. And using the included ClickSafeTM Security Anchor, it quickly and easily snaps to a ClickSafe Lock for an additional layer of protection.

Features

- Attached VESA mounting plate allows SecureBack M Series Enclosure to be mounted in portrait or landscape mode.
- · Convenient opening aids in clean cable management
- Compatible with SecureBack M Series Modular Enclosures for iPad® 2/3/4 and iPad Air™ (sold separately)
- ClickSafe™ anchor makes adding ClickSafe lock for additional security fast and simple
- · Built-in tabletop mounting holes
