

**VeriMark™ Fingerprint Key – FIDO U2F for universal 2nd factor authentication & Windows Hello™**

Best-in-Class Authentication to Support Windows Hello™ &amp; FIDO U2F

K67977WW

**Product Description**

Innovation, quality and trust have made Kensington® the standard in device security for more than 25 years. Kensington is expanding that expertise to data security by introducing the world's first fingerprint security key to support Windows Hello™ and Fast Identity Online (FIDO) universal 2nd-factor authentication (U2F) – the VeriMark™ Fingerprint Key. Engineered to provide simple, fast and secure Windows logon and a seamless two-factor authentication experience, the VeriMark Fingerprint Key protects against unauthorised access on compromised devices, while also offering unprecedented cybersecurity for today's cloud-based world.
