

Kensington® Wired Three-Button Mouse for Life

K72110US

Product Description

From the brand that professionals trust for all their desktop needs, the Wired Mouse for Life is ideal when you need a comfortable mouse to get work done. The three-button/scroll wheel setup has quiet clicking when you don't want to disturb anyone at home or in public. A high-definition optical sensor provides reliable, responsive control when you're navigating. The contoured shape feels great for both right-handed and left-handed users. The wired USB connection is a simple Plug & Play, plus the mouse is built to last with a 5-year limited warranty.

Features

- Quiet clicking is ideal for low-noise environments
- Ambidextrous, contoured shape for either right-handed or left-handed users
- High-definition optical sensor (1000 DPI) for responsive control
- Three Button/Scroll Wheel design
- Plug & Play installation with a wired USB connection for reliable performance that doesn't require batteries
- Built to last with a 5-year limited warranty
- Compatible with Windows® 10, 8.1, 8, 7 and Mac OS X 10.6 and later.
- USB-C to USB-A connector is needed for newer Mac products
