

Kensington

SlimBlade™ Trackball

8589672327

Product Description

Comfort and productivity are at your fingertips with the Kensington SlimBlade™ Trackball. The slim, low-profile design provides all-day comfort while the advanced dual laser sensors and large ball deliver exceptional precision. Your computing experience gets smoother, faster and easier with the Kensington SlimBlade™ Trackball different user modes. Choose navigation mode to control cursor and scrolling by simply twsiting the ball. Media mode controls volume, play/pause, stop, and track forward/backward. And it does it all with the ball to put complete control at your fingertips. For even greater productivity, the four adjustable buttons can be set to the function or keyboard shortcut you use most with Kensington TrackballWorks™ software.

Features

- Ambidextrous design for left or right-handed users
- Compatible with Windows Vista® and Mac OS® X. TrackballWorks™ software downloadable from www.kensington.com
- Four customizable buttons with Kensington TrackballWorks™ software
- Keep an eye on which trackball mode you are in and which function is being performed with the on-screen heads-up display
- Luxurious Ruby red trackball and metallic silver finish
- Optical technology delivers superior precision
- PC and Mac® compatible
- Simply twist the multi-function ball for fast and precise click free scrolling
- Twist the trackball to control music playback and magnification with Music and Zoom trackball modes
- Wired 150cm USB cable provides reliability and avoids need for batteries
- With its low-profile shape, you'll be able to use it comfortably for hours on end
