Product Description

Bring sleek, contemporary styling to your desktop without sacrificing comfort or professional-level productivity. From the trusted industry leader with nearly 35 years of experience creating premium desktop accessories, the Slim Type Keyboard features quiet, laptop-style keys for crisp and responsive feel. To improve productivity, the keyboard includes dedicated media keys to control volume, mute, and sleep, as well as an Internet key to provide single-touch access to your preferred browser.

Features

- Slim keyboard profile just 0.75 inches thin

- Responsive, premium and quiet laptop-style scissor keys for precise control and responsiveness

- Full size keyboard with 6 rows of keys and one-touch controls for instant access to email and media controls

- Wired, reliable USB connectivity without the need for batteries

- Compatible with Windows 11, 10, 8.1, 8, 7 and Mac OS X 10.6 and later.

- USB-C to USB-A connector is needed for newer Mac products

- Designed for everday use

- Angle the keyboard at 30 degrees for typing comfort with integrated tilt stands

- Professional matte black with high gloss finish
