

Kensington Presenter Expert™ Wireless with Red Laser Pointer & Cursor Control

K72425

Product Description

Own what professionals use to take control of the room — and a laptop's cursor — with the Expert Wireless Presenter with Red Laser Pointer & Cursor Control. Sometimes pointing just isn't enough. With a simple flick of a switch, you toggle between presentation and cursor control modes. The wireless 2.4GHz receiver stores conveniently inside the remote, and since it's uniquely paired, you don't have to worry about device interference.
