The Mouse with No Strings Attached

## K72451WW

#### **Product Description**

#### **Product information**

Depth	96mm
Width	58mm
Height	33mm
Gross weight	0.08kg

**Retail Packaging Information** 

When you need a compact, mobile mouse that offers Bluetooth wireless performance and comfort, the Kensington Pro Fit Bluetooth Mouse has everything you need to be productive. The Bluetooth connection allows you to save a USB port on your device for other accessories, which is extremely convenient on modern ultra-thin devices that have limited port space. The high definition 1000 DPI laser sensor lets you scroll around your screen with precision control. The two-button, scroll wheel design is highly intuitive and works equally well for both right-handed and lefthanded users. And best of all, with simple and easy Pair & Play installation, you'll be up and ready in no time.
