BlackBelt™ 2nd Degree Rugged Case for Surface™ Pro 6, Surface™ Pro (5th Gen) and Surface™ Pro 4

Protect Your Laptop Replacement

K97442WW

Product Description

The Surface™ Pro is being touted as the perfect laptop replacement, offering an incredible combination of productivity and portability. Valuable mobile investments like that need to be protected. Our designers have worked closely with Microsoft® as a member of the Designed for Surface programme and created the BlackBelt 2nd Degree Rugged Case. It surrounds the Surface Pro device in military-grade drop protection with an integrated hand strap for worry-free carrying. The Type Cover can be easily attached or detached with the case on and a strategic cut-out preserves full functionality of the Surface kick stand.
