Product Description

Protect your iPad Air or iPad Air 2 from just about anything in a mobile transaction environment. Dual layer construction offers maximum drop protection while a raised bezel guards against screen scratches. It fits your iPad Air perfectly and integrates a secure holder for a Credit Card Reader. The rotating hand strap and shoulder strap make it easy to carry, and a built-in anchor lets you quickly attach a ClickSafe lock (sold separately) to deter any theft attempts when the tablet isn't being used.
