Layer/Pallet	25
Cases/Layer	2

Product Description

Incorporating the latest cutting-edge science, this innovative new whiteboard surface uses nanotechnology to prevent ink from penetrating the surface. A hydrophobic Nano-Clean surface coating delivers exceptional ghost and stain resistance with superior erasability.

Features

- Experience a new dry-erase solution with the Fusion Nano-Clean Whiteboard. This one-of-a-kind surface is sealed at the nano level.
- Features a 25 year warranty and is able to deliver top notch performance in extremely heavy use environments. Protected by Nano-Clean technology.
- Whiteboard surface is magnetic to offer equal functionality for smooth writing and posting of printed materials
- Nanoparticles fill voids on the board surface to prevent ink from staining or ghosting for an always Nano-Clean whiteboard
- Board surface is recessed from the silver aluminum frame to deliver a fresh, clean look
- 3' x 2' in size the whiteboard can be mounted vertically or horizontally with included Z-bracket mounting hardware
- Marker tray and 1 Quartet dry-erase marker also included
- Assembled in the USA with foreign and domestic parts
