

Reconditioned GBC® ShredMaster® 2230S Replacement Head

RCY1751700

Product Description

This reconditioned 2230S has been inspected and brought up to manufacturer specifications. The 2230S is capable of shredding 15 sheets at a time as well as staples and paper clips. Features light indicators for bin full, overload and open door. Holding cabinet/base is not included in this sale, only the shredder as pictured. NOTE: Unit must be set on cabinet in order to function due to built in safety switch. Please note a one-year EMA is not available for this item, however we will honor a 30-day warranty.
