Features

- Metal construction with die-cast base provides maximum durability
- Stapler includes an inner rail that helps guide the staple through the magazine, delivering more accurate stapling and reducing jams
- Desktop stapler staples up to 25 sheets at a time and holds a full strip of 210 staples
- Stapler opens for tacking so you can easily tack up items such as flyers and posters on soft surfaces
- Adjustable anvil, the metal plate at the base of the stapler, rotates to create temporary staples that point out for easy removal from documents
- A positive locking latch keeps the staple magazine in place while in use to ensure stapling position
- Protected with a coating, which is treated with an antimicrobial agent to suppress the growth of bacteria and mold
