Product Description

With USB ports on laptops becoming a precious commodity, an external hub can be the answer to maintaining optimal productivity. The UH4000 USB 3.0 4-Port Hub ensures you can connect all your peripheral desktop accessories so you can perform at your peak. Leveraging USB 3.0 technology, each of the four ports can support lightning fast transfer speeds so you can work more efficiently. And because there are no drivers to download, simply insert the USB cable on the hub into your laptop and you're ready to go. New model 39121 available.
