Product Description

The ideal companion when you’re heading abroad and need to charge the battery on your devices, the International Travel Adapter provides professional-level, simultaneous charging of up to three devices in over 220 countries. Dual USB ports make it easy to charge smartphones and tablets, including the iPhone?, iPad?, Galaxy S?, Microsoft® Surface™, or other favorite devices. Plus, with the 2-pole adapter you can power anything from a laptop to a 2-in-1 hybrid like the Surface Pro.

Features

- Slide-out plug configurations for USA/Japan, Australia/China, UK and Europe that work in over 220 countries
- Power a laptop and charge two mobile devices simultaneously
- 2-pole adapter (does not support grounded 3-prong U.S. plugs)
- Dual 2.4A USB ports provide fastest charge for smartphones and tablets
- Plug release button
- Energy Efficiency Level VI

Specifications

- **PDP Request Quote** Yes
- **Warranty** 1 year
