Product Description

As more health risks are revealed in relation to sitting too much during the workday, professionals are trusting the company with 20 years of ergonomic expertise and turning to the SmartFit® Sit/Stand Dual Monitor Workstation to improve their health and productivity. The workstation converts your traditional desk into a standing workspace with minimal changes to your current setup. A pneumatic lift and articulating arm help you quickly transition from sitting to standing, plus it swivels from side to side to help share the view of your monitor screens.

Features

- SmartFit® System allows you to measure, adjust and fit the workstation’s articulating arm to your ideal comfort color setting
- Adjustable dual mounts allows you to slide the monitors left and right along both sides of the arm for a better fit
- Pneumatic lift lets you quickly and easily transition from sitting to standing
- Articulating arm has four pivot points so you can easily move the workstation up and down and side to side
- Height adjustable so you can set the monitors and the keyboard platform independently for the ideal viewing and typing settings
- Cable management channel routs accessory cords to keep workstation uncluttered
- Reinforced mounting clamp attaches quickly to the desktop
- Secondary platform provides a space-saving area for additional accessories
- Compatible with monitors up to 24” (Max weight of 22.5 lbs. for monitors and items on platforms)

Specifications

- **Screen Size** 23"/58.4cm
- **Partner Exclusive** No
