Conform Wrist Rest, SmartFit®, Ergonomic Design

K55787US

Product Description

Innovative, SmartFit® wrist rest naturally supports wrist and hand by placing arm at the proper ergonomic angle. Unlike other wrist rests, the Conform Wrist Rest features nonstick pads on the base so that it glides along the desktop with the mouse. This influences users to mouse from the elbow and shoulder, helping to reduce the risk of carpal tunnel.

Features

- · Ergonomic wrist rest relieves pressure and keeps arm at neutral angle
- Conform padding provides support while nonstick pads on base allows wrist rest to move with mouse for more comfortable use and continuous alignment
- · SmartFit® personalized color coding system makes it easy to select the best support for your wrist
- SmartFit® comfort color size chart and 4 color coded interchangeable inserts are included to ensure a proper fit
- · Wrist rest helps reduce risk of repetitive strain injuries and carpal tunnel injuries
- · Ambidextrous design allows right hand or left hand use
- · Rest is compatible with all mice, including both wired and wireless
