

Comfort Gel Mouse Pad — Black

K62386AM

Product Description

The Comfort Gel Mouse Pad provides extra support and comfort for using a mouse or writing. The gel pad conforms to the natural contours of your wrist and minimizes pressure on your hand and wrist so you can be productive for longer periods of time with less aches and pains. A non-skid base ensures the pad stays in place while you're navigating around the screen with your mouse.

Features

- Gel padding acts like a pillow and adapts to natural curves of your wrist
- Non-skid base helps keep the mouse pad firmly in place
